Australia

Requirements

Possess at least 3 years of business experience

Possess adequate health insurance

Provide a police report and be of good character

Provide a medical certificate

Be under 55 years old unless the age requirement is waived by a state or a territory

Prove a net worth of 2.25m AUD

Live in the state or territory in which you are nominated

Key Benefits

Interviews are rarely necessary

Investment can provide returns

Can apply for permanent residence after 4 years, or 1 year under the Premium option

Significant and Premium investment option can help remove the age and business experience requirements

Applicants can bring their children up to 22 years of age

Stage 1 (Month 1)

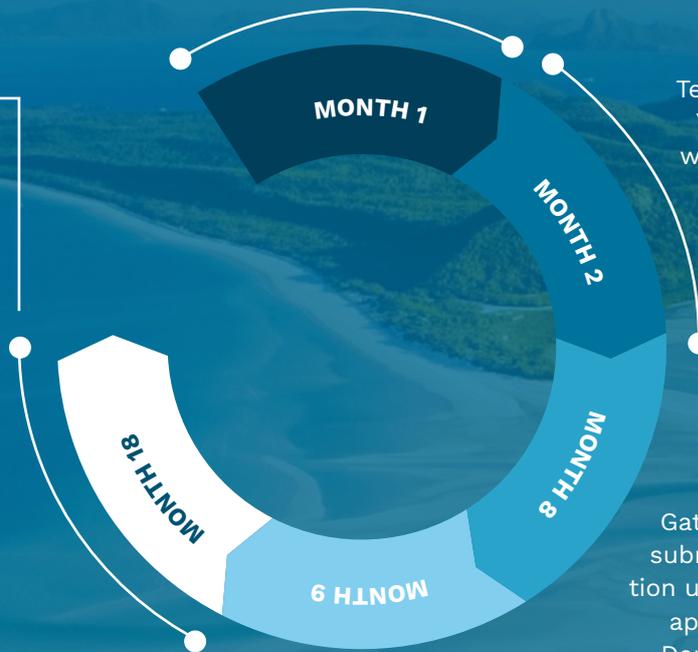

Submit an Expression of Interest to the State or Territory you want to reside in. You will be contacted shortly with the nomination; you have 60 days to submit an application for the Investor visa.

Stage 2 (Month 2)

Gather the required documents, submit the Investor visa application using Skill Select, and pay the application fees. The Australian Department of Home Affairs will review your application and make a decision.

Stage 3 (Month 18 or 9 if choosing the Significant or Premium options)

Home Affairs will send the applicant an invitation letter to finalise the investment. After confirmation that the investment has been made, Home Affairs grants a 4-year, 3-month investor visa
